DEDICATION

We, the graduating class of 1960, wish to dedicate our issue of the Memorabilia to you, Mrs. Helen K. Cowley, whose efforts and behind-the-scene activities have enabled us to present to you this Yearbook. Your thoughtfulness and guidance have aided students throughout the years; and, because of your unselfish attitude, you will always be remembered as one of the outstanding leaders at B. H. S. We hope that this dedication will, in a small way, show you our appreciation.

IN MEMORIAM

In memory of our classmate and friend, the Class of 1960 dedicates this page to the memory of Jean Elizabeth Roach who died on October 30, 1957.

Jean joined the class in seventh grade and was an outstanding scholar. Her friendly personality and gentle manner endeared her to students and faculty alike. Her sudden death was a distinct loss to our school.

"Words are but empty thanks."

In our junior year Mrs. Mary Scarpino was elected to replace Mrs. Laura Patterson as one of our advisors. She contributed much of her time and energy to making our prom, "South Pacific," a success. We sincerely extend our appreciation to such a wonderful friend and guide.

We thank Mr. Eugene Morrison for all the time and effort he has put forth as our class advisor. His sincere interest has helped our class tremendously in all of its undertakings.

Mr. William Barton, our Memorabilia business manager, spent many hours helping to keep our records straight and was one of the many people who made our yearbook a success.

The Class of 1960 would like to express its appreciation to Miss Rachel Hartman for the numerous ways in which she helped to make our junior year successful.

Our thanks go to Mr. John Young who made our Senior Class Play one that will always be remembered.

Mrs. Laura Patterson, our sophomore class advisor, who left to accept a position in the Radnor Schools, is remembered for her guidance in our early high school activities. We are grateful for the many hours she devoted to our interests.

"Words of truth and soberness."

To the Class of 1960:

You have now completed one of the many important steps in the preparation for living in a world of rapidly changing standards and objectives.

As one American to another permit me to offer a few suggestions.

As an American, make the Golden Rule your rule. Accept each obligation that comes to you from the Founders of the United States and discharge them to the best of your ability and with honor. Make the problems of interest to your country your interests and loyally uphold the Constitution of the United States.

So conduct yourself that in the future your heart will be in America and America will be your heart.

Be proud to call yourself an American.

Sincerely,

J. Claire Patterson
Superintendent

To the Class of 1960:

"The world is full of starters;
It's the finishers that count."

Many a person dreams a dream of something fine and great. Some start to reach their dreams, but all too few stick to it. One man tried to teach this lesson by misspelling two words. He wrote:

"Konsider the postage stamp, my son, whose usefulness konsisteth in its ability to stick to a thing until it gets there."

Do you know what you can do? Be a finisher. Be known as one who can be counted upon.

I sincerely hope that your days in the high school have aided you in developing the ability to finish.

Sincerely,

Henry J. Gatski

BARBARA GEHRIG

CLASS HISTORY

"There is a history in all men's lives."

With mixed emotions, we began our sophomore year at B. H. S. With Harry Hoffman to lead us as our class president, we got off to a good start. Aiding Harry as officers were Barbara Chyko, Vice-president; Sharon Crawford, Secretary; Judy Carl, Treasurer; Barbara Gehrig, Historian. Mrs. Laura Patterson and Mr. Eugene Morrison were selected as our class advisors.

Knowing that our Junior-Senior Prom was ahead of us, we began undertaking projects to earn money. Our first project was selling candy at all home basketball games. We also sold megaphones and sponsored several bake sales. Photographs of the varsity football players were sold, and this proved to be one of our largest money-making projects. A basketball yearbook was published and sold by our class. We held the "Sham-Rock'N Roll," a Saint Patrick's Day dance, along with other dances throughout the year.

Before we knew it, we were juniors. Since our corps of officers had led us through such a successful year, we re-elected them. Mrs. Mary Scarpino was elected to replace Mrs. Patterson. We knew we'd need quite a bit of money to stage our Junior-Senior Prom, and we began by selling B. H. S. pennants. We held many dances, among them the Saint Valentine's Day Dance. We held bake sales and sold pom-pom shakers before each football game.

Plans for the prom, which was to be held at the Memorial School, were well under way early in the year. "South Pacific" was chosen as our theme, and we wanted it to be the best prom ever. After a lot of planning and hard work, the long-awaited prom took shape. Palm trees, straw huts, and tropical plants surrounded us as we danced to the enchanting music of Jack Melton and his orchestra. Taking a path through a forest of palm trees and flowers, we arrived in the South Pacific garden. To remember this beautiful night forever, we had our pictures taken beside a straw hut surrounded by palm trees. At 12:00 we left for the Capitol Theatre to see "Love is a Many Splendored Thing." Our never-to-be-forgotten evening was brought to a close with a smorgasbord breakfast which was given to us at the Memorial School by the P.T.A.

And then our BIG YEAR began. With Harry Hoffman still leading us and Terry Shellenberger as Vice-president, Judy Carl as Secretary, Betsy Whitenight as Treasurer, and Barbara Gehrig as Historian, we faced our most memorable year at B. H. S.

Our enjoyable Dinner and Dance took place during our Christmas vacation. In March our class produced its Senior Class Play, "The Boy Friend." Many members of the class participated in the play, and it was enjoyed by all. Our class also sponsored many other activities including dances and bake sales during this eventful year. An event which most of us will never forget was our class picnic.

It is our sincere hope that the Class of 1960 will always reflect the high ideals of our Alma Mater in exchange for all that we have gained at Bloomsburg High School.

At the close of the 1959 football season, the Bloomsburg Panthers and the coaches looked back on a successful record of five wins, two ties, and three losses. From the first day of practice the team worked hard to bring to Bloomsburg High School another year of fine entertainment on the gridiron. Every day after school they could be seen practicing to keep in shape to maintain their good record. The boys had spirit and ability and proved they had what it takes for a successful season of football.

1959

Spring brings many things, one of which is baseball. At B.H.S., spring saw the entrance of a great ball team. Under the piloting of Mr. John Babb, the Panthers had a record of five wins, ten losses, and one tie. This however, doesn't tell the story of the team spirit and hard work put out by the team. Our thanks for a job well done.
